St. Malachi Hall 7pm  
Behind the Church at W. 25th & Detroit Aves.

“Yves Congar passionately explored the annals of Church historical writings to highlight the participation of lay people in the Church’s mission of sanctifying the world. He developed many of Vatican II’s theological terms like ‘the vocation of the laity,’ ‘the holiness of the People of God,’ and defined the ‘obedience of the laity’ as the moral and righteous living of the Gospel of the world.”
