PEACE PRAYER OF ST. FRANCIS
Lord, make me an instrument of your peace. Where there is hatred let me sow love. Where there is injury - pardon. Where there is doubt – faith. Where there is despair – hope. Where there is darkness – light. Where there is sadness – joy. O Divine Master grant that I may seek not so much to be consoled as to console. To be understood as to understand. To be loved as to love. For it is in giving that we receive, pardoning that we are pardoned, and dying that we are born to eternal life.

FOR PEACE – CHANGE SELF EASIER TO PUT ON SLIPPERS THAN TO CARPET THE WORLD

PENTECOST JUNE 11,2017

Pentecost is best expressed in symbol by the image of the athlete who participates in a race.

Months, years of training, discipline, focus and real hard and wholehearted dedication to a goal that is top priority of his entire life.

All else is put aside and his whole life is transformed by the goal he has set before him.

Day and night, he shapes his life on the goal – the winning of the race.

Important to notice is the fact that participation in the contest is not the goal. The goal is winning.

For us as Christians, being a Christian in not the goal. Membership in the community is not the goal. The goal is eternity of joy with our God.

Pentecost reminds me: My Goal is eternity. Life is a process that shapes my entire being moment by moment.
