**PEACE PRAYER OF ST. FRANCIS**

Lord, make me an instrument of your peace. Where there is hatred let me sow love. Where there is injury - pardon. Where there is doubt – faith. Where there is despair – hope. Where there is darkness – light. Where there is sadness – joy. O Divine Master grant that I may seek not so much to be consoled as to console. To be understood as to understand. To be loved as to love. For it is in giving that we receive, pardoning that we are pardoned, and dying that we are born to eternal life.

**ZINGER:**

He who never changes his mind is either perfect to begin with or stubborn for ever after.

Whines are the products of sour grapes

Our God has a big eraser

The first step to wisdom is silence, the second is listening

Don’t fear tomorrow; God is already there

Have character – don’t be one!

**A QUOTE FROM FR. MARK**

“For a peace that rests on forgiveness, justice and compassion. For the peacekeepers of every nation. For the victims of war, civic unrest natural disaster the weather and the economy. For the victims of child sexual abuse, especially where clergy were involved. And for the leaders of nations that they move beyond battle fields to conference tables. For this we pray”
