

Monthly Litter Pilgrimage

As people of faith, as pilgrims, we walk together and invite others along the way to journey with us for the healing and reconciliation of the suffering and brokenness of this world. Walking and praying together, we show our love for all of God's wondrous creation.

Saturday, October 12, 2024: 10-11:45am

Meet at St. Colman Church

(2027 W 65th St., Cleveland 44102)

The St. Patrick's Creation Care Ministry Team participates in the litter walks organized each month by a member church of the West Side Creation Care Team. We gather for a short prayer, then pick up trash and recyclables on neighborhood streets, and close in prayer by noon. Volunteers can choose a specific area to work in pairs, alone, or in small groups. Bring work gloves. Bags provided.

Please join us for this family-friendly outing!

All of us can cooperate as instruments of God for the care of creation, each according to his or her own culture, experience, involvements, and talents.
